## TEAM PROJECTS

- ❖ **OdishaDarshan - A web-platform promoting tourism**
   - A web-based platform designed to promote tourism in Odisha by highlighting lesser-known destinations. It fosters the state's rich culture and traditions by enabling travelers to connect with local guides, access detailed place information, and create customized itineraries for a personalized travel experience.

- ❖ **KrishiSeva - A OneStop Platform for farmers**
   - **Krishi Seva** is a web-based platform designed to empower farmers by connecting them with agricultural experts. It provides essential features such as soil testing, government scheme

updates, an education tab for farming knowledge, real-time weather updates, market price insights, and a cold storage locator to enhance agricultural productivity and sustainability.
